OVERVIEW

MCA student at CUSAT with a foundation in computer science, experienced in academic projects like a food waste donation website. Passionate about learning, problem-solving, and teamwork.

EDUCATION

- MCA, Cochin University of Science and Technology (2024–2026) CGPA: 9.29
- BCA, CIMAGE Professional College Patna (2019–2022) CGPA: 9.49
- 12th, Holy Mission School Patna (2019) Percentage: 72%
- 10th, DAV Public School Patna (2017) CGPA: 9.4

PROJECTS

AutoInbox – AI Powered Email Assistant

- Developed an AI-powered email assistant using FastAPI, LangGraph, and LLMs.
- Added Gmail OAuth2 login, automated classification, and intelligent drafting replies.
- Enhanced context awareness with RAG for smart email handling.

Food Waste Donation Website

- Built a web platform using PHP, HTML, CSS, and MySQL to connect food donors with the needy.
- Implemented food listing, user authentication, and donation tracking features.
- Aimed to reduce food wastage and promote social responsibility through technology.

SKILLS

- **Programming & Web:** Java(Core) , Python , C , HTML , CSS, JavaScript(Basic) , PHP , MySQL
- **Frameworks/Tools:** Git , GitHub , FastAPI , RAG
- **Core:** OS | OOPS | DBMS | SE | CN
- **Soft Skills:** API Integration | Data Parsing | Regex
- **Languages Known:** Hindi | English

INTERESTS

- Self-learning new technologies (GenAI, RAG)
- Team Projects, Coding Challenges, Problem-Solving, Innovative Solutions

CERTIFICATIONS & TRAINING

- IBM SkillsBuild – Agentic AI (Jul–Aug 2025)
- Edunet – Artificial Intelligence
- IIT Bombay Spoken Tutorial – HTML, C Language
